NONCOMPLIANCE SUMMARY

The probation officer believes that Brionne Corbray has violated conditions of supervision by:

Violation Number	Nature of Noncompliance
1.	Using marijuana in violation on or about April 15, 2015, in violation of standard condition number 7.
2.	Failing to make payments toward his fine since on or about March 19, 2012.

U.S. Probation Officer Action:

Mr. Corbray submitted to a urinalysis test on April 15, 2015, which returned positive for marijuana. Mr. Corbray admitted use and signed an admission of use form. Mr. Corbray possesses a medical marijuana prescription, but has been advised that marijuana is not recognized as a medication under federal law. He was referred previously for a substance abuse evaluation and no treatment was recommended, despite admissions of marijuana use. Mr. Corbray reported he has stopped smoking marijuana since his positive tests and "feels better" as a result. Due to the retention times for marijuana in the system, and Mr. Corbray's chronic use, he has not yet submitted a urinalysis test which is negative for marijuana.

Mr. Corbray has not earned an income since his sentencing. His primary source of income prior to this offense was the medical marijuana business that is the subject of the instant offense. He was directed to begin making at least a minimum monthly payment of $10 per month until he is earning an income. He reported he made his first $10 payment on April 30, 2015.

Mr. Corbray is a PCRA Low with risk factors identified as cognitions and alcohol/drugs. Mr. Corbray's willingness to cease marijuana use and begin making payments represents progress. The probation office has placed Mr. Corbray on the highest level of testing. Ongoing discussions are occurring with Mr. Corbray in an effort to address his perception that supervision is purely punitive, and help him realize the probation office is also invested in his success.

It is respectfully recommended the Court endorse the actions taken by the probation office. Mr. Corbray has been notified this violation can be brought before the Court in the event of further noncompliance.

I swear under penalty of perjury that the following is true and correct.
Executed on this 30th day of April, 2015.
